

STUDENT FEEDBACK

Your feedback plays an important role in developing the quality of your education experience and assists MiHaven Training to continue to improve the effectiveness of our training, processes and programs. Please complete the following questions to reflect your opinions as accurately as possible.

Comments

Are there any aspects of our service that could be improved or modified?

Is there any general comments or suggestions you would like to make?

Other comments:

MiHaven Training wants to thank you for the time and feedback you have provided within this document.

Please send this feedback form to: feedback@mihaven.edu.au

If you would like to talk to our administration staff, please feel free to call our head office on 07 4041 0407

Thank you again!
